CORPORATE OVERVIEW

RWD Consulting, LLC (RWD) is a seasoned advisory firm that stands mission-ready in providing technical and professional services to Federal, state, local government agencies and the private sector.

OUR PEOPLE

RWD’s multi-disciplinary team of professionals have spent decades providing quality support services in the areas of information technology, data analytics, program/project management, financial systems support, and facilitates and administrative management. Our people are our most important asset and we invest heavily in recruiting and retaining industry-leading talent.

COST MANAGEMENT EXPERTISE

RWD has a broad knowledge base and proven experience in successfully leading large Federal budget and finance shared services projects. Our commitment to award-winning contract performance means; meeting deliverables, on time, as required and under budget.

STRATEGIC MIX OF TECHNOLOGY AND BUSINESS

RWD is accustomed to the demands and needs of Government customers and has adopted a proactive approach to developing 21st-century technology and cutting-edge solutions. Our record of success allows for immediate performance and accountability.
