EXPERIENCE + EXPERTISE

RWD Consulting, LLC is a seasoned advisory firm that stands mission-ready in providing technical and professional services to Federal, state, local government agencies and the private sector.

RWD has Senior Staff that have been dedicated for decades to supporting the Federal Government during public emergencies including infectious disease outbreaks and natural disasters. Our experience in knowing how to get the right people and products to the right places throughout all phases of a public emergency is key to our support during critical responses. In addition, we have the experience of working with Government officials at all levels: Federal, State, and Local to help support every aspect of public emergencies from communication to getting resources to where they need to be.

- Experienced with providing healthcare professionals at all levels of training and experience to both cities and resource limited settings
- Provided logistics, professional, and administrative support to FEMA during Hurricanes Katrina and Ivan
- Supported fire and police departments with getting equipment and supplies to targeted locations
- Aided NASA with critical product delivery in support of their missions.
