FEATURED PROJECTS

Goddard Logistics and Technical Information Support Services | National Aeronautics and Space Administration (NASA), Goddard Space Flight Center

RWD provided mission-critical records management, property management and supply and receiving services to the NASA Goddard Space Flight Center. Our team managed the logistics, warehousing, shipping, and equipment management of \$500M in critical scientific equipment, annually for NASA's space missions. Shipments include more than 40 worldwide locations. We had a 100 percent success rate in meeting delivery schedules. We improved efficiencies and enhanced facility operations resulting in RWD receiving a NASA Wallops Flight Facility Aircraft Officer Certificate for Outstanding Aircraft Mission Support in 2017 and a Wallops Flight Facility's Contractor Safety Award of Excellence in 2015.

FEATURED PROJECTS

Facilities and Logistics Support Services | U.S. Consumer Product Safety Commission (CPSC)

As the prime contractor, RWD delivers full scale, multi-layer facilities maintenance and operations services with a focus on shared logistics support services throughout its three distinct locations - Headquarters in Bethesda, Maryland, Laboratory Sciences in Rockville, Maryland, and the Sample/Storage Facility Warehouse located in Gaithersburg, Maryland. Services at each location include property and inventory management, supply operations, shipping and receiving of materials, equipment and goods, management of surplus equipment, and support for on-demand facilities maintenance support.

Facilities and Logistics Support Services | U.S. Equal Employment Opportunity Commission (EEOC)

As the prime contractor, RWD provides mailroom, copying, space-management and warehousing services. Our staff are responsible for the distribution of both incoming and outgoing mail, as well as specialty copying services, document shredding, and furniture movement/storage. Each year, we prepare approximately 130,000 pieces of outgoing mail and deliver approximately 200,000 pieces of incoming mail to 21 designated office locations within the headquarters building. Additionally, we provide daily records and prepare monthly reports on the volume of mail received and dispatched by category.
